CLEANER POOLS-NO HASSLE!

ULTRA HIGH CAPACITY!

SUPER LONG LASTING! SAVES TIME & MONEY!

"I did some beta testing of the Pool & Spa Saver Mouse by Oilinator and was impressed with the results. Visually I could see the scum and oils this thing picked up. It works amazingly well and a must have if your pool gets heavy use in the Summer. Try one and you will see the results for yourself."

David Van Brunt
"YouTube Creator of the #1 Swimming Pool Channel on YouTube."
